## ERHALTUNGSZUCHTPROJEKT

Xiphophorus - Northern Platyfish

## VEREIN/VERBAND

AFV – Association France Vivipares C2A – Club Aquariophile d'Aquitaine  
Goodeid Working Group

## VIVARISTISCHE ERFAHRUNG

Since 2014

**Maintenance and breeding of various goodeids:**

Currently *Xenotoca doadrioi*, *Ameba splendens*, *Chapalichthys encaustus*

Since 2018  
2018

**Secretary of AFV; member of the maintenance list working group**

Trip to Mexico with the Goodeid Working Group

## Persönliche Motivation

Seeing the place where *Zoogoneticus tequila* was reintroduced gives hope that similar projects may succeed for other species. I have less experience with poeciliid fish, but would like to dedicate a species tank to the project.
