CONSERVATION PROJEKT

Xiphophorus - Northern Platyfish

CLUB/ORGANIZATION

Association France Vivipare

CAPACITY

Tanks between 50 and 100 liters

VIVARISTIC EXPERIENCE

Date (from)

[geographical area, family](#)

Livebearers, killies, apistogramma, loricariidae, callichthyidae

[breeding success](#)

I bred during several years species like *Ilyodon furcoides*, *Chapalichthys encaustus*, *Xiphophorus pygmaeus* and lot of guppies.

Motive force

I have always had a great interest in wild species and being able to support a project like this, it's a great satisfaction and a personal achievement.
