Sex male | Date of birth 04/07/1971 | Nationality France

## CONSERVATION PROJEKT

Allotoca - Mesa Central  
Xiphophorus - Northern Platyfish

## CLUB/ORGANIZATION

Association France Vivipares / Goodeid Working Group

## CAPACITY

Owner of a fishroom with currently 30 to 40 tanks depending of the design and the species

## VIVARISTIC EXPERIENCE

since 1980

Junior aquarist – first personal little tank

1989

Become a member of the local french group named Association Sarthoise d'Aquariophilie (150 members)

1993

Become the chairman of this local group. Bred several species belonging to different groups and families (Melanotaeniidae, Characidae, Cyprinids, Killis, Anabantidae, Livebearers...)

1994

Become a member of the french national livebearers dedicated association – Association France Vivipares. (Chairman / Editor since 2013)

2016

First trip to Mexico – Goodeid survey trip 2016

### breeding success

i have tried to breed all the species i owned.

## Motive force

- The success of the Zoogoneticus tequila reintroduction project is an example i want to follow and i want to be helpful for other species. It has shown that it was possible.
