## CONSERVATION PROJEKT

Xiphophorus - Northern Platyfish

## CLUB/ORGANIZATION

CAPACITY 8 tanks

## VIVARISTIC EXPERIENCE

geographical area, family

Various fish since 1981, not only as a hobbyist, but also professionally.

breeding success

### Motive force

I found out that my 35 l aquarium is perfect for northern platyfish: I had 260 X. couchianus there and later 100 X. meyeri (wild form). I decided that I will not only act as a backup for Ostrava Zoo, but I want to be involved personally and provide this aquarium for the XNP conservation project.
