50 000 l, 50 tanks

VIVARISTIC EXPERIENCE

Date (from)

[geographical area, family](#)

livebearers and cichlids

[breeding success](#)

I have been breeding a lot of livebearers and cichlids in the last 20 years. I have mainly experience with the natural species. During some collecting trips I was able to collect species myself.

[Motive force](#)

I would like rare species to preserve for the future.
